Title	Announcement - Servo Motor Controller IC Change of HS-40		

- Due to the discontinuation of the IC component supply, we plan to replace it with a new component.
- Since the component type and pin map are the same, the PCB design will remain unchanged.
- Even if the change is applied, please note that the previous version of the stock would be shipped for a certain period
- We are striving to take preemptive measures to ensure that there are no problems with delivery time and quality, and we ask for your understanding of any inconvenience caused by changes.

Before change	After change
There are no changes to the appearance, specifications of the product.	
	

### Remarks

- ※ If you think this change will cause trouble, please inform us ahead of the 20th of December 2025
- ※ Please make sure to inform your industrial customers to prevent confusion in the future.
