Title	Announcement - PCB Layout Change of HS-7115TH		

- We plan to modify the component spacing and layout on the HS-7115TH PCB, as well as change the PCB array configuration.
- Through this change, we expect improvements in workability, efficiency, and quality during the SMT process.
- Even if the change is applied, please note that the previous version of the stock would be shipped for a certain period
- We are striving to take preemptive measures to ensure that there are no problems with delivery time and quality, and we ask for your understanding of any inconvenience caused by changes.

Before change	After change
There are no changes to the appearance, specifications of the product.	
	
※ Along with the positional adjustment of one component (marked at the top), the spacing between the other components has been slightly modified.	

Remarks

- ※ If you think this change will cause trouble, please inform us ahead of the 20th of November 2025
- ※ Please make sure to inform your industrial customers to prevent confusion in the future.
